

# Spine-Creaser

with Advance Female Technology to fit Horizon StitchLiner MkIII

Stock Code: **SC-HOR/25-FP-DSF-01**

## Contents of Package

### 1x Male Creasing Rib Holder Component (M):

contains the split gripper crease ribs

### 1x Orange Split Gripper Crease (M-179):

used to crease material weight between 85-150gsm

### 1x Blue Split Gripper Crease (M-180):

used to crease material weight between 150-250gsm

### 1x Yellow Split Gripper Crease (M-181):

used to crease combined multiple sheet weights between 250-500gsm

### 1x Black Split Gripper Crease (M-182):

extra heavy crease to be used in conjunction with yellow female receiver ring; used to crease combined multiple sheet weights between 500-700gsm

### 1x Extraction Tool:

used to remove the inserts from male and female components

### 1x 3mm L-Wrench Allen Key (3MM-L-WRE):

used to tightening fixing screws and to also aid with extraction of the Female Receiver Rings from Female Component

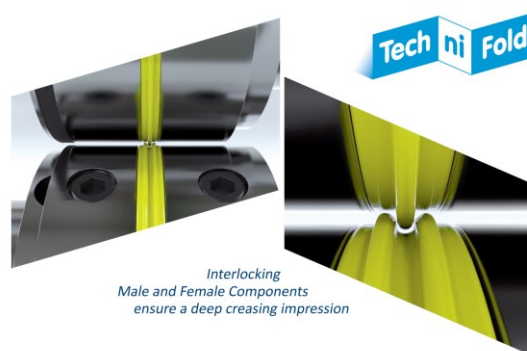

### Additional Information:

Compatible with Horizon StitchLiner MkIII Machines.

To ensure correct installation and operation of Spine-Creaser a modified deflector plate is required. Please request a copy of the Installation Guide for more information.

### How it works:

Instead of the traditional metal grooves in the previous Spine-Creaser technology, the nylon Female Receiver Rings are fitted with a special profile designed to apply a double-reverse crease either side of the male creasing rib.

### 1x Female Receiver Ring Holder Component (F):

contains the split female receiver rings

### 1x Red Female Receiver Ring

(SC-DSF/HOR-25-NY-R):

used to crease material weight between 85-150gsm

### 1x Blue Female Receiver Ring

(SC-DSF/HOR-25-NY-B):

used to crease material weight between 150-250gsm

### 1x Yellow Female Receiver Ring

(SC-DSF/HOR-25-NY-Y):

used to crease material weight between 250-700gsm
